Ready to Assemble

IMPORTANT:

Please read through the instructions carefully before assembly and keep them for future reference.

CHILDREN HAVE DIED FROM FURNITURE TIPOVER.

- ALWAYS secure it to a wall with an anchor.
- NEVER allow children to stand, climb or hang on drawers, doors or shelves.
- NEVER open more than one drawer/door at a time.
- ALWAYS place heavy items down below.

**NEVER put a TV
on this furniture.**

Congratulations on your purchase of a new Tauris furniture item.

To increase the longevity of your item, please follow these assembly instructions to save you time, make assembly easier and prevent possible damage to your new unit.

PLEASE NOTE:

- Correct assembly is your responsibility.
- We suggest the use of hand tools only to tighten screws and fittings, as power tools can strip threads if over-tightened.
- When moving this furniture item, always carry the unit. Dragging or sliding the unit could damage the unit and the floor surface.
- It is important to assemble the unit on a soft surface like carpet to prevent damage. If you don't have carpet, place a blanket down before starting.

TOPPLING FURNITURE GUIDE:

WE RECOMMEND THAT A PROFESSIONAL INSTALLS THIS PRODUCT

Under Australian Toppling Furniture regulations all category 1 and category 3 furniture (over 686mm) must be secured to the wall.

These furniture categories are supplied with an anchor and a strap/cable to secure the unit to the wall.

Gyprock:

- Use a stud finder to ensure the bracket is being secured into the stud.
- Once you have secured the brackets, loop the cable through to secure the unit.

Brick

- Before starting make sure that the anchor point is brick.
- Never anchor into mortar.
- Check your wall type and choose the wall plug accordingly.
- Once you have secured the brackets, loop the cable through to secure the unit.

ADJUSTING DOOR HINGES:

- Hinges come ready to install, though they can be adjusted to be sure that the doors sit square and flush to the piece of furniture.
- There are 3 screws on the hinge that can help adjust its position.

Inside screws:

- The inside screws move the hinge in and out.

Outside screws:

- The outside screws move the hinge left and right.

SURFACE CARE INSTRUCTIONS

A little care and attention will extend the life and look of your furniture. Take care when using materials that might spill, be sharp or abrasive on the surface of your furniture.

NORMAL CLEANING:

For normal cleaning use a soft, dry, clean cloth. In the case of spills/stains use warm water.

GLASS CLEANING:

You may use normal glass cleaning products on all standard glass. Use a soft cloth to remove light dust and fingerprints.

VINYL CLEANING:

DO NOT use solvent-based cleaners or any abrasive materials. Only use a slightly damp, soft, clean cloth on this surface. Do not scrub.

FROSTED GLASS CLEANING:

DO NOT use glass cleaner or solvent-based cleaners on the surface of the glass that has a frosted finish.

CAUTION:

DO NOT expose to direct sunlight or extreme temperature. This will result in irreparable damage and discolouration.

Except if the failure is a major failure.
5. The Warranty does not apply to a product that:
 - a) Has failed due to excessive wear.
 - b) Has been misused or neglected.

TAURIS

WARRANTY POLICY

- c) Has been damaged accidentally or by acts of God including fire and flood.
 - d) Has been used or operated contrary to the operating or maintenance instructions.
 - e) Has been damaged in transit from the Seller's store to the Owner, either by the Owner or a third party authorised to act for the Owner.
 - f) Was correctly assembled or installed.
6. In order to make a claim under the Warranty, the Owner must provide proof of purchase in all cases.
7. The Seller will examine any return products and if the Seller determines that there is an apparent defect through no fault of the owner, the Seller will:
- a) Make a note of the Owner's contact details, including the Owners telephone number which the Owner can be contacted during business hours, postal address and email address.
 - b) Make note of the defect/s reported by the Owner.
 - c) Take back the defective goods from the Owner and determine within reasonable time through dialogue with the Owner whether the goods are defective.
 - d) Advise the Owner within a reasonable time frame whether the goods are defective.
 - e) If the seller accepts the return of the product, the seller must arrange to have:
 - i) The product repaired or,
 - ii) Replace the damaged or faulty product or,
 - iii) Refund the purchase price
8. The Seller will not accept any returned product which has not been returned strictly in accordance with this warranty.
