ARTWORK River Sounds

ARTWORK STORY

Represented within this artwork is the sounds of the river at night. Camping under the stars in darkness and listening to the mighty river as he moves swiftly through the land, your eyes adjusting to capture its beauty. Your peace as you drift off to sleep. It is the comfort of the waters and the feeling of being close the Mother Earth, and all her elements. It is waking up when the sun is just starting to creep over the hill, and the sound of the river lulls you back to sleep as you sit between awake and sleeping.

Born on Wiradjuri Land in Wagga Wagga, Amanda is an exceptionally passionate and talented Aboriginal artist who has been creating breathtaking original artworks from her studio under the moniker 'Because of my Four' for many years now. Amanda's artworks share stories of resilience, strength, and the power of women. She draws inspiration from her hometown of Wagga Wagga, her family, and the Dreamtime - displaying Aboriginal culture and storytelling in her own contemporary Aboriginal art style, developed through impatience, intuition, and an innate desire to create at all costs.
