Kathleen Buzzacott is an artist, poet, designer and entrepreneur, of Pitjantjatjara Scottish and English heritage, born in Alice Springs Central Australia. Kathleen's fine Central Desert Dot Painting style celebrates her discovery and connection to her indigenous heritage.

Green budgies are native to Australia. Budgerigars are highly nomadic. They generally fly north during winter, covering significant distances as they migrate. Flocks follow rainfall and during the rainy times, you will find an abundance of these little birds nesting in the hollows of the River Red Gums along Roe Creek, where we live.
