A Courtesy Reminder:

For convenient to all valuable consumer we would like to recommend you to make sure that you have insert the under trundle bed into the correct side (left or right) according to your room set-up. Example if you would like to lean the left hand side of the bed to the wall please make sure to insert the under trundle bed into the side rail on the right hand side of the bed (View from the footboard) or otherwise if you would like to lean the right hand side of the bed to the wall.
