Cross screw

1

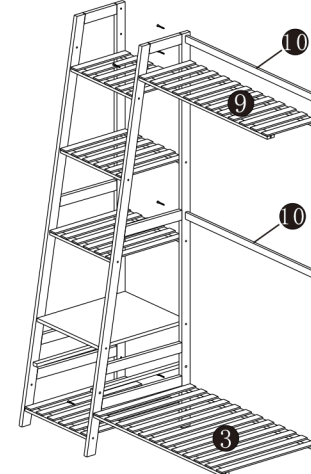

Install five laminates onto two supports 1 with hexagon socket screws. The five laminates include laminates 4, 5, 7 and 8.

2

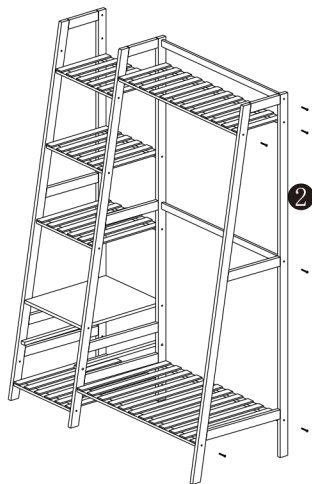

Install the drawer stop strip 11 onto the two supports 1 with the Allen screw.

3

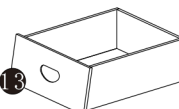

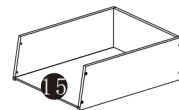

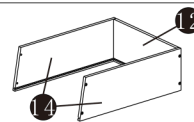

Install the retaining strip 10, laminate 9 and support 1 with hexagon socket screws.

4

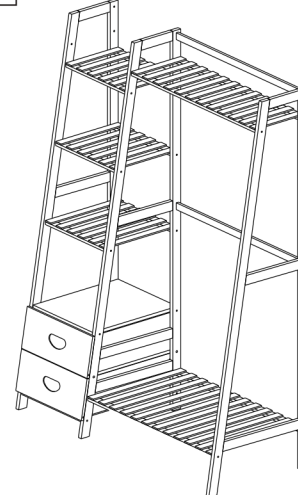

Install the bracket 2 with the socket head cap screw.

5

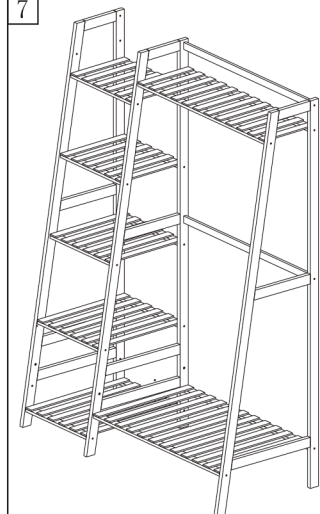

Install the drawer with cross screws.

6

Put it in the drawer and the installation is completed.

7

The installation method without drawing money is the same.
