

ASSEMBLY INSTRUCTION

Wesley Chunky Coffee Table

Keep these instructions for future reference

Assemble the furniture on a soft level surface to avoid damaging the furniture or your floor.

Parts of the assembly will be easier with 2 people.

We recommend furniture be assembled near where they will be placed, to avoid moving the product unnecessarily once assembled.

If there is a need to move the furniture, please remove all loose items and have extra hands to help lift the furniture to the desired location. Dragging the furniture will damage both the furniture and the floor.

Regularly check and re-tighten (if necessary) all bolts on furniture that you have assembled yourself.

Care and Maintenance of your Furniture

Always use coasters or placemats to protect the table surface, remove any liquid spills immediately using a clean cloth or kitchen roll sheet & mild detergent.
