Downlight

- ✓ **Enjoy ambient lighting** in your space thanks to the Ambience's built-in uplight (supports dimming), helping to create a relaxing atmosphere in your bedroom or living areas.
- ✓ **Moulded aerodynamic blades** are crafted from polymer (a high-grade plastic) which are durable, easy to clean as well as being safer and quieter than metal blades.
- ✓ **Energy-efficient & dimmable optional 17W LED Downlight** is available with colour changing technology (CCT) so you can choose between Warm, Cool and Daylight temperatures.
- ✓ **Highly efficient cooling** made possible by the energy-efficient DC motor, using only 35W on high and as little as 6W on low so you stay cool for less.
- ✓ **Enjoy whisper-quiet cooling** thanks to the combination of a silent DC motor and premium polymer blades, so you stay cool with less wind and fan noise.
- ✓ **Perfect for standard bedrooms and living areas** so you can maintain a consistent decor style throughout your home.
