Shown with low profile mount

Compatible with universal mount only

Bluetooth Remote

¹ Activate Fan Eco Mode in Big Ass Fans app to fully leverage the energy savings from your ceiling fan.
² Voice control requires an Amazon Alexa-enabled device or the Google Assistant.
³ SenseME Technology and the Haiku mobile app are supported by Android™ and iOS®.
⁴ Damp-rated fans installed in covered outdoor locations must have fixed/permanent full overhead coverage extending at least two feet (61 cm) out from the airfoil tips on all sides. The included fan stabilizer must be installed.
⁵ Uplight not available on damp-rated fans. Compatible with universal mount only. Light kits purchased separately.
⁶ Bamboo finishes are indoor use only.

Lead times may vary.
 Warranty period and terms vary by country and application.

Automate your comfort with SenseME

SenseME automatically adjusts your fans and lights to keep your home feeling and looking exactly the way you want it to. Download the Big Ass Fans mobile app to group multiple fans and set your comfort preferences for hands-free control.

¹ Optional downrod lengths packaged separately. The 7 in. (178 mm) downrod is not available for 84-inch (2134 mm) fans. 60 in. (1524 mm) is the longest downrod available.

² Fan heights do not include the Haiku Light kit. Add 0.8 in. (20 mm) for 84-inch (2134 mm) diameter fans.

³ The precise fan weight will vary based on individual component weights and finishing.

⁴ Actual results of sound measurements in the field may vary due to sound reflective surfaces and environmental conditions.

⁵ Bamboo airfoils must be installed in indoor, dry environments only.

Lead times may vary.

Warranty period and terms vary by country and application.
