CARE AND CLEANING

Sureface rust can occur on stainless steel over time. To avoid this heated towel rail is best wiped down from time to time with a damp cloth and a stainless steel cleaner.

Disclaimer: Products in this specification manual must by regulation be installed by a professional wireman. The manufacturer/distributor reserves the right to vary specifications or delete models from their range without prior notification. Dimensions are nominal measurements only. Dimensions and set-outs listed are correct at time of publication however the manufacturer/distributor takes no responsibility for printing errors.
