

How to install a Fascia

<p>Step 1</p>	<p>Please take out the two steel fascia clips that came with your blind. They should be in a white fittings box.</p>  
<p>Step 2</p>	<p>Position clip so that it is horizontal to the groove on the fascia.</p> 
<p>Step 3</p>	<p>Twist the clip in a clockwise direction until it is sitting upright/vertical.</p>  
<p>Step 4</p>	<p>Repeat steps with other Clip.</p> 
<p>Step 5</p>	<p>Reverse Fascia, and position brackets over the headrail.</p>
