

WA-BM-CT170-WD

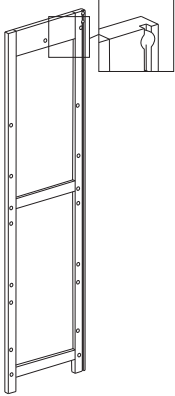

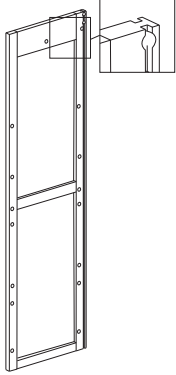

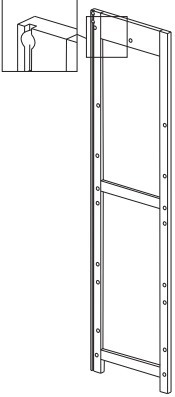

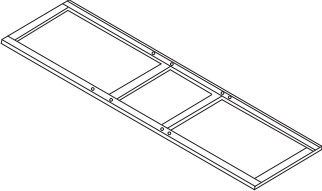

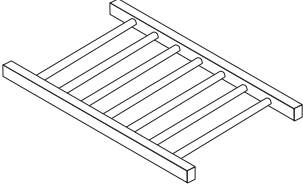

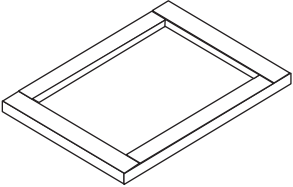

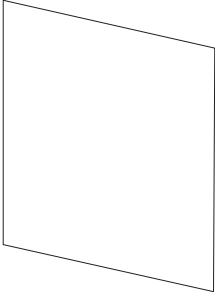

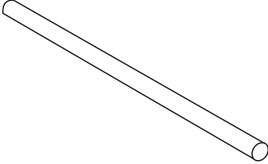

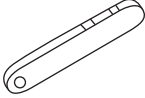

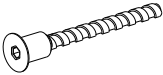

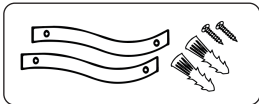

Caution: Please take the protection for the hand before installation.
Wear the gloves and be aware of the burrs or sharp edges of the panel.

Wardrobe rack

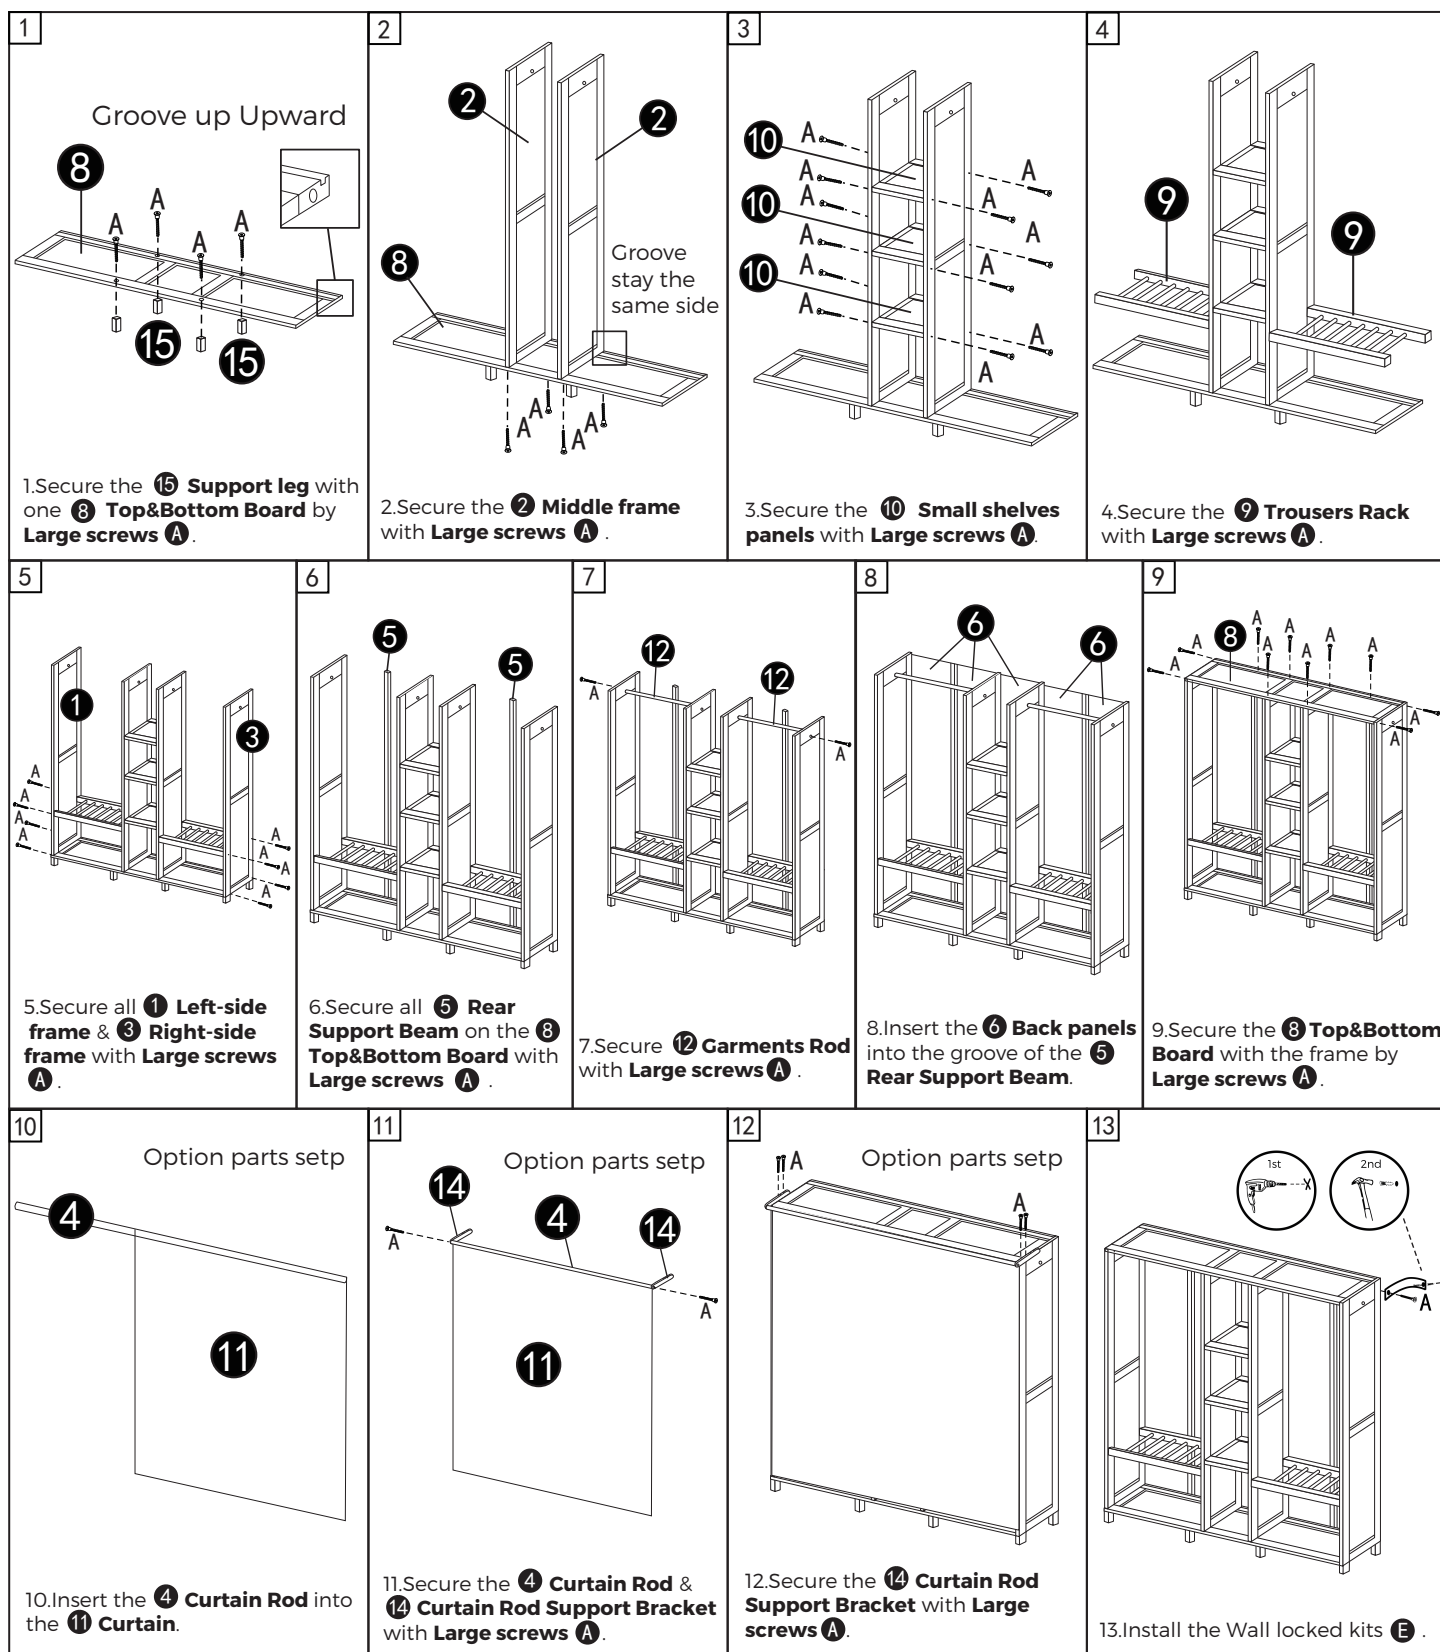

Unbox the packaging, organize the accessories according to the category on the accessories table, you can then start the installation. Please note that the wardrobe rack should be installed on the ground and refer to the user manual for clearer accessories installation position.

Installation diagram

Notice: Recommend weight load:

5kg for Storage Shelf; 10kg for Garments Rod; Trousers Rack: 1kg/pole.

Assembly must be done by adults.

Check the product regularly for any damages. Keep away from any hazardous contents.

Caution:

Don't put the Bamboo product in extremely dry or humid environments.

Bamboo board is prone to cracking in moisture content under 6% or above 16%.
