Assembly Instructions

Model:OTM-ARM-LIN-GY/OTM-ARM-LIN-LGY OTM-ARM2-SP

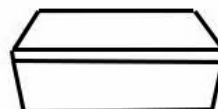

Before starting assembly, please check that all parts are accounted for as some may have come loose inside the packaging. If anything is missing, please contact our customer service for an immediate replacement.

Leg x 4

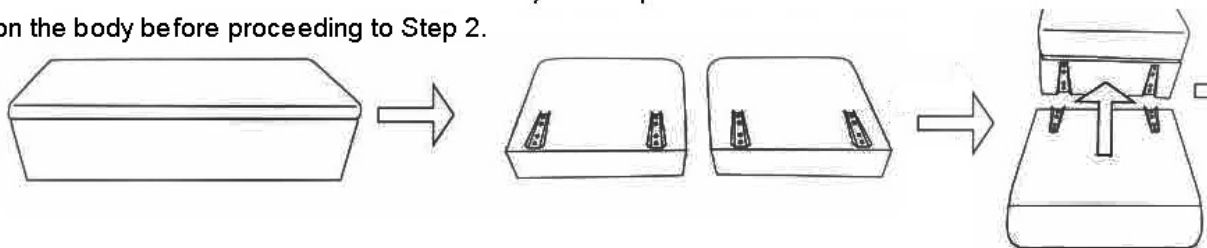

Armrest x 2

Body x 1

Step 1

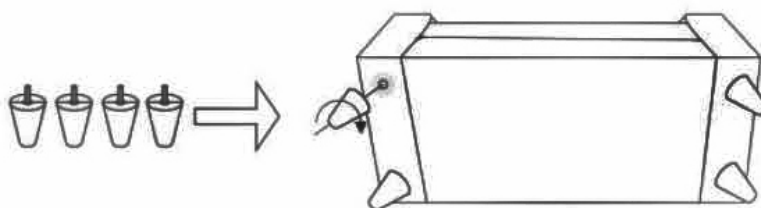

Hook the armrests onto the ottoman body in an upward direction. Please make sure armrests are hooked properly on the body before proceeding to Step 2.

Step 2

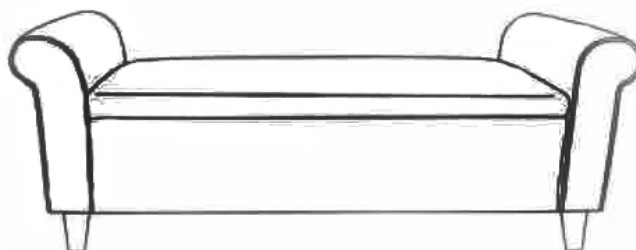

Lay the ottoman body with hooked armrests down so the bottom faces you. Align the leg screw with the fitting holes on the base of the armrests. Screw the leg in manually. Repeat step for the remaining legs.

Note: Legs fitting holes are on the base of the armrests.

Step 3

Lift the ottoman off the ground and place it upright in desired location.

Do not drag the product to avoid damaging the floor or product. Always lift the product with two persons.
