

ASSEMBLY INSTRUCTIONS

Please read all instructions carefully before assembly.

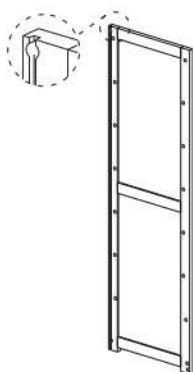

SHOE STORAGE CABINET

Model : SS-BM-FLUTED-3D

Parts and Hardware

1 1pc
Right frame

2 1pc
Left frame

3 3pcs
Rear panel

9 3pcs
Door Panel

4 2pcs
Beam bar

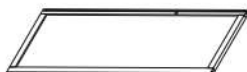

6 2pcs
Rear support post

7 1pc
Front support post

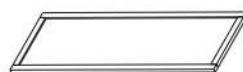

10 1pc
Shelf base panel

11 1pc
Rack base panel

12 1pc
Top shelf panel

13 5pcs
Shelf panel

14 6pcs
Metal rod connector

15 4pcs
Magnetic door catch

16 6pcs
Door gasket

17 3pcs
Door knob

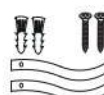

A 42pcs
Large screw

B 3pcs
Medium screw

C 20pcs
Small screw

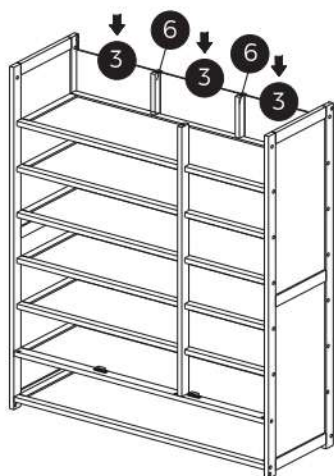

E 1 set
Wall locked kit

NOTE

1. Beware of burrs and sharp edges of the panels. Wear gloves if necessary.
2. A screwdriver (not included) is required for the assembly process.

Step 6

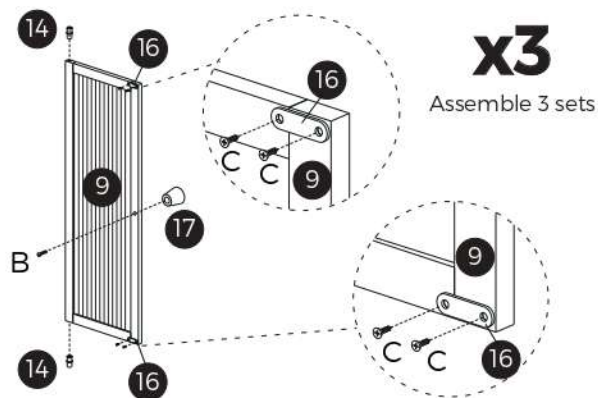

Insert the Part 3 (Rear panel) into the groove of the Part 6 (Rear support post).

Step 7

Part B
3pcs

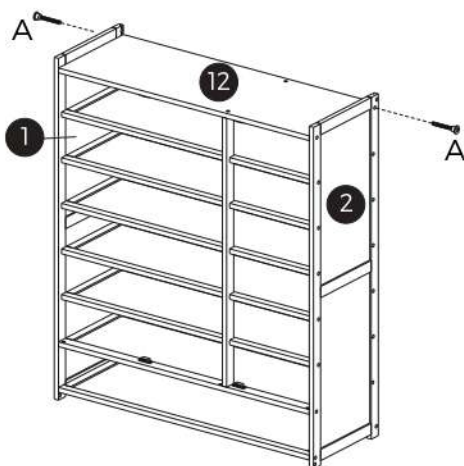

Part C
12pcs

Attach Part 16 (Door gasket) to the top and bottom edges of Part 9 (Door Panel) with screws C. Insert Part 14 (Metal rod connector) into the designated slots at the top and bottom of Part 9 (Door Panel). Finally, attach Part 17 (Door knob) to Part 9 (Door Panel) with screw B.

Step 8

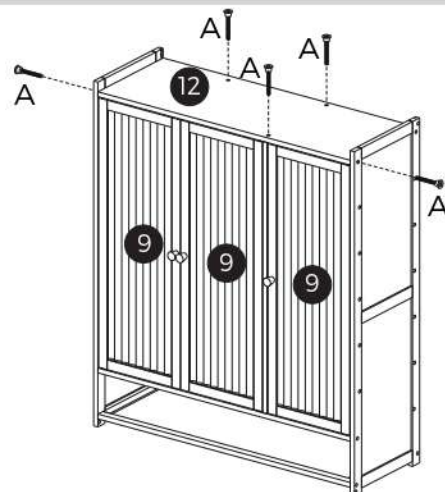

Part A
2pcs

Attach Part 12 (Top shelf panel) to Part 1 (Right frame) and Part 2 (Left frame) with screws A.

Step 9

Part A
5pcs

Install Part 9 (Door Panel) using Part 14 (Metal rod connector) to insert between Part 12 (Top shelf panel) and Part 10 (Shelf base panel). Then secure Part 12 (Top shelf panel) with screws A.

Step 10

Part A
4pcs

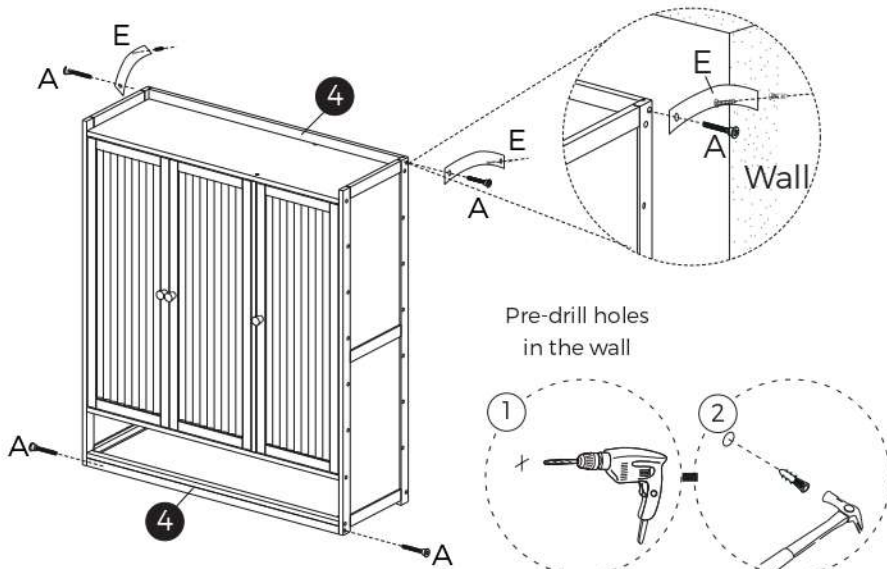

Part E
1 set

WARNING

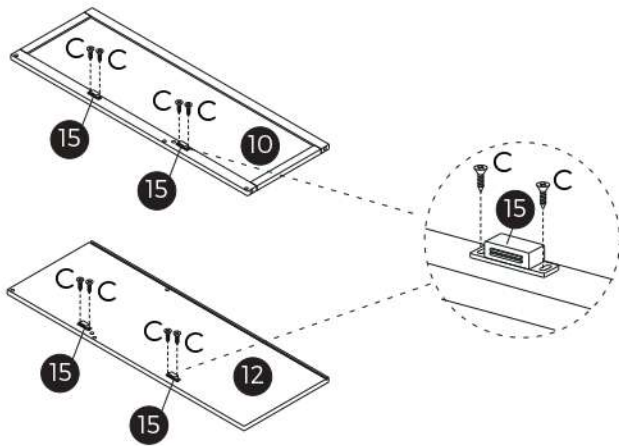

It is very important to secure this furniture with an anchoring device for your safety in use.

Secure Part 4 (Beam bar) at the top and bottom of the unit with screws A. Then proceed with the optional installation of Part E.

Step 1

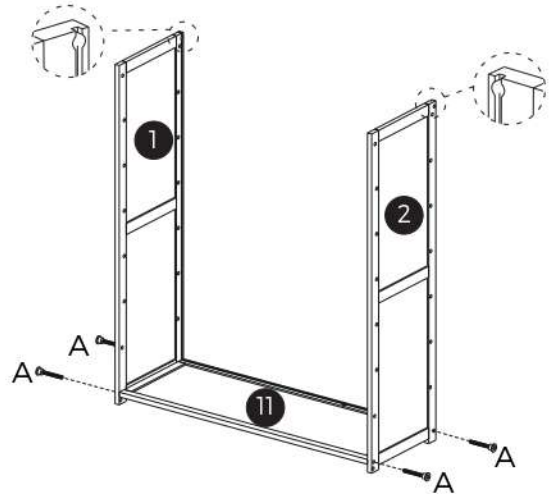

Part C
8pcs

Attach Part 15 (Magnetic door catch) to Part 10 (Shelf base panel) and Part 12 (Top shelf panel) with screws C.

Step 2

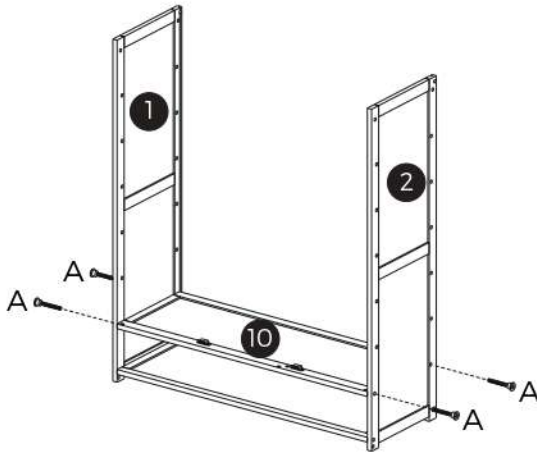

Part A
4pcs

Attach Part 1 (Right frame) and Part 2 (Left frame) to Part 11 (Rack base panel) with screws A. Note the facing of Parts 1 and 2.

Step 3

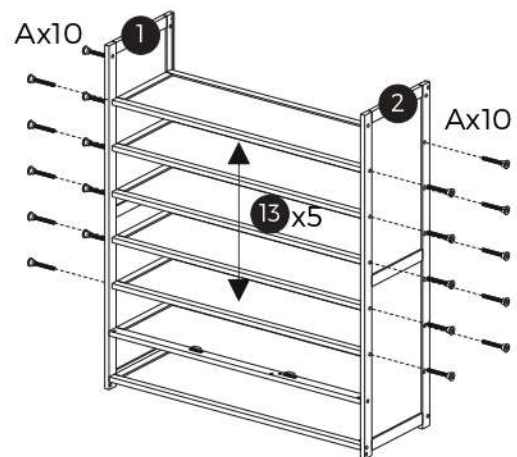

Part A
4pcs

Attach Part 10 (Shelf base panel) to Part 1 (Right frame) and Part 2 (Left frame) with screws A.

Step 4

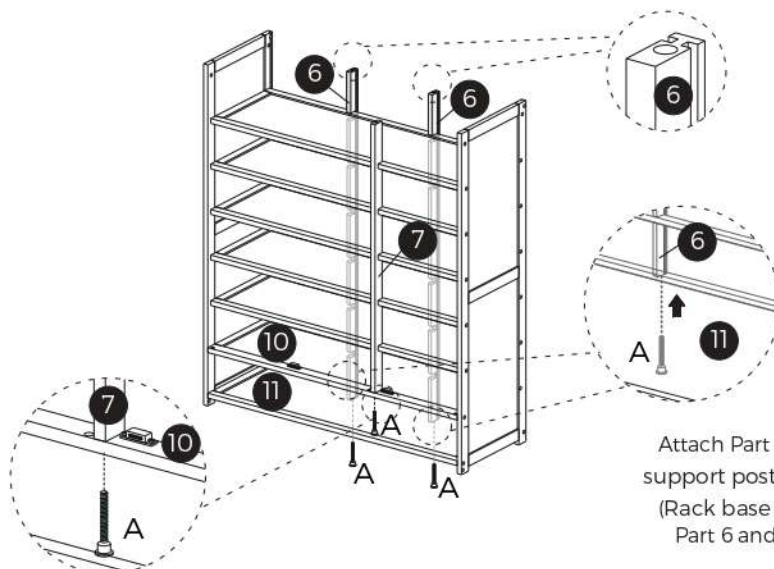

Part A
20pcs

Attach Part 13 (Shelf panel) to Part 1 (Right frame) and Part 2 (Left frame) with screws A.

Step 5

Part A
3pcs

Please pay attention to the position of the holes.

Attach Part 6 (Rear support post) and Part 7 (Front support post) to Part 10 (Shelf base panel) and Part 11 (Rack base panel) with screws A. Note the facing of Part 6 and Part 7 when attaching to all the parts.

CARE AND MAINTENANCE OF BAMBOO FURNITURE

GENERAL

- Periodically check all screws, bolts and joints connections and tighten them if necessary.
- Periodically check for any damage and deteriorated parts and components and seek repairs or replacements if needed.
- Do not allow any liquids to remain on the furniture as this may cause stains and allow the liquid to be absorbed into the finishes and materials.
- In some cases, this may also cause warping and/or cracking of the materials and finishes. Use coasters and placemats for all food and beverages.
- Do not place hot items, such as dishes, pots and cups, directly on the furniture. Use coasters and placemats for all food and beverages.
- Keep sharp and pointed objects away from furniture to avoid damaging the surface and finish.
- Do not place the furniture near hot objects, heating vents or heating equipment.
- Do not place the furniture in moist areas such as bathrooms to prevent water damage.

CLEANING AND CARE

- Dust the furniture regularly using a soft cloth or microfibre duster to prevent dust build-up. Consider using a vacuum cleaner to thoroughly clean it.
- Only wipe and clean with a soft, damp cloth with a mild cleaning detergent. Use a toothbrush to clean hard-to-reach spots.
- Allow the washed furniture to dry in the shade rather than in the sun which can dry out bamboo too quickly.
- Do not use a jet wash as this can damage the material.
- Do not use chemicals with bamboo furniture as it may cause unnecessary staining.
- If there are stains or liquid spills, clean it immediately to reduce the likelihood of the stain settling in and becoming permanent.

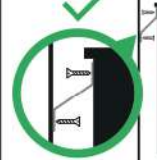

ENVIRONMENTAL

- Do not expose the furniture to direct sunlight. Use curtains and blinds to shield the furniture if direct sunlight is unavoidable.
- In dry or hot indoor conditions, wipe the furniture with a cool, damp sponge often to prevent cracking.
- Bamboo furniture is prone to damage and fade with prolonged exposure to extremely high or low humidity conditions. Do not place them in such extreme conditions.
- Bamboo is porous and susceptible to moulding where placed around moist areas. As an optional protection for bamboo furniture, apply a bamboo sealant/varnish on it for durable protection against scratches, water, UV rays and other weather elements.

HANDLING

- Do not drag, push or pull furniture when moving them. Lift them up to avoid damage to the furniture legs and scratches on floors.
- Do not sit on wet bamboo furniture as this will cause it to stretch or sag.
- Avoid sitting or standing on armrests or use the furniture as a stepping stool for safety reasons.
- Do not exceed the recommended weight capacities of the furniture specified.
- Do not use the furniture for any purpose other than what is intended for.

⚠ WARNING

Children have died from furniture tipover.

- ALWAYS secure this furniture with an anchor device.
- NEVER allow children to stand, climb or hang on drawers, doors, or shelves.
- NEVER open more than one drawer at a time.
- Place heavy items down low.

NEVER put a TV on this furniture 

ATTENTION •

• Notice:

Recommended weight capacity: Each shelf rack: **10kg**
Assembly must be done by adults. Check the product regularly for any damage.
Keep away from any hazardous contents.

- **Caution:** Do not place the bamboo product in extremely dry or humid environments. Bamboo is prone to cracking in moisture content under 6% or above 16%.
