Assembly and Maintenance Tips

1. Keep children and pets away from the working area as small parts may cause choking if swallowed.

2. Some furniture may require two persons to assemble for safety reasons.

3. To protect the surfaces of the furniture, lay the parts and perform the assembly on top of a soft mat (such as a carpet or cardboard).

4. Keep the furniture away from direct sunlight to avoid fading.

5. Use a soft, damp cloth to clean or wipe surfaces.

6. Never use ammonia-based or abrasive cleaning products to clean as they may damage the finish.

7. Do not place liquids or wet items on furniture as they may leave water marks/stains. Always use a coaster or runner to protect the furniture surface.
