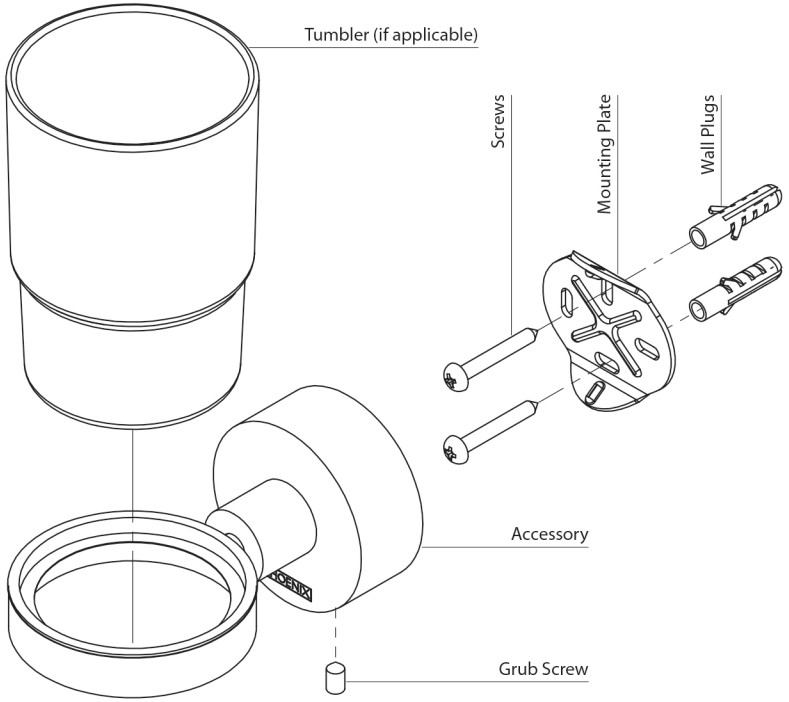
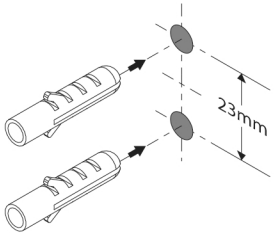
PHOENIX
TAPWARE, SHOWERS & ACCESSORIES

INSTALLATION INSTRUCTIONS



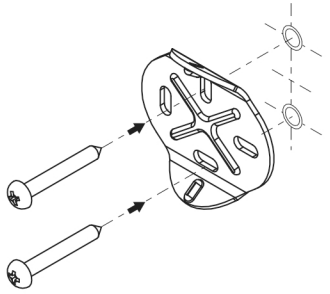
1

- Mark the desired centre position of the accessory with a pencil.
- Using a ruler or measuring tape, mark two hole locations at 23mm spacing.
- Use the Mounting Plate to check if markings are correct.
- Drill holes and push in appropriate Wall Plugs.



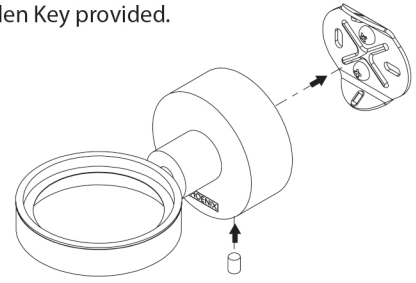
2

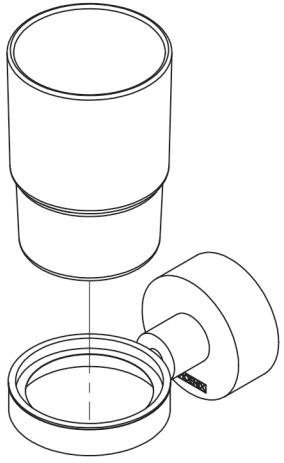
Fasten the Mounting Plate to the wall with Screws.



3

- Push the Accessory onto the Mounting Plate.
- Fasten with Grub Screw using Allen Key provided.



4


If applicable, place tumbler into Accessory holder.
