

1

- Mark the desired centre position of the accessory with a pencil.

- Using a ruler or measuring tape, mark two hole locations at 23mm spacing.

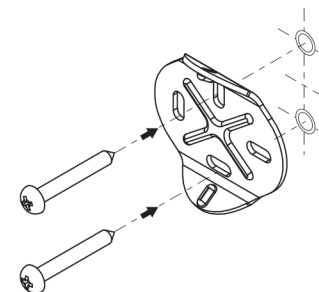

- Use the Mounting Plate to check if markings are correct.

- Drill holes and push in appropriate Wall Plugs.

2

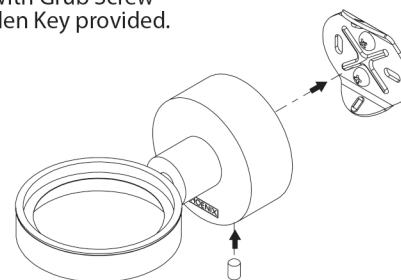

Fasten the Mounting Plate to the wall with Screws.

3

- Push the Accessory onto the Mounting Plate.

- Fasten with Grub Screw using Allen Key provided.

4

If applicable, place tumbler into Accessory holder.
