

Note:

1. Should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.
3. If part is missing or damaged, or you need help with assembly, please do not hesitate to contact us: cpcontacts@163.com

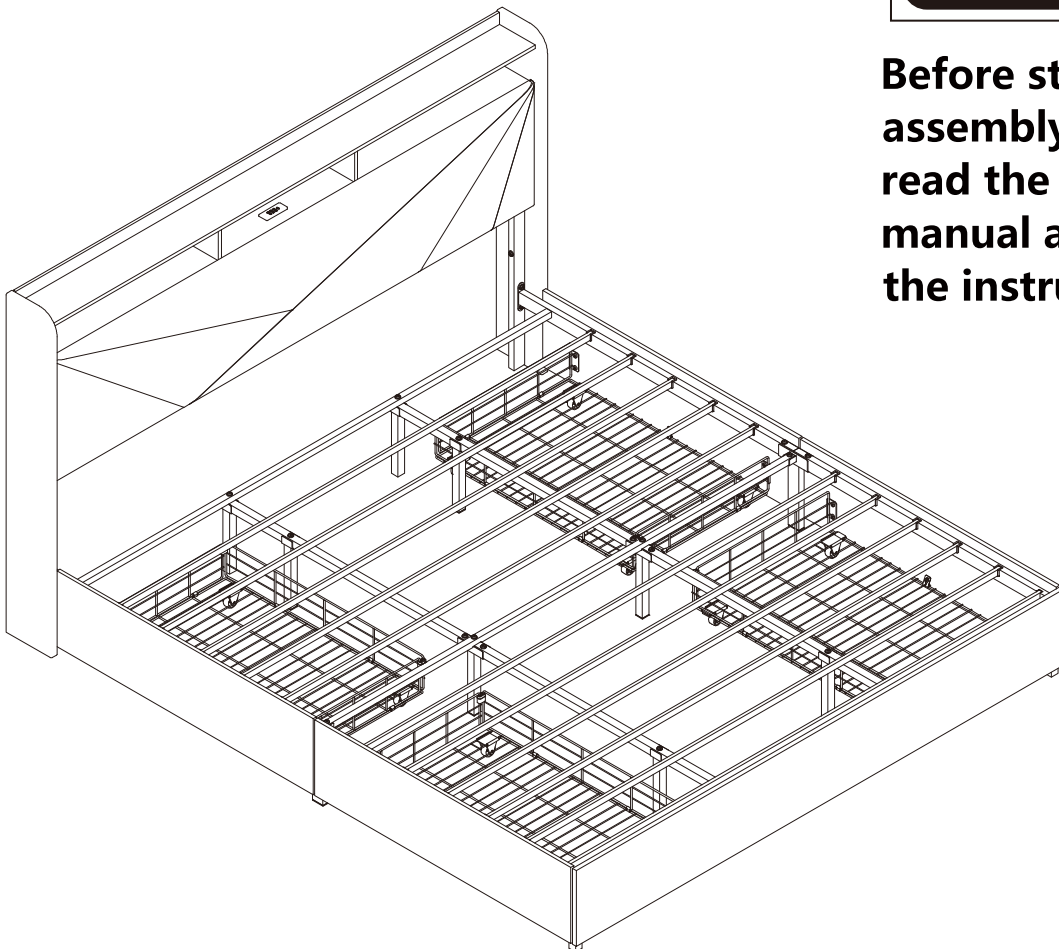

It needs at least two people to install.

Before starting the assembly, you must read the whole manual and follow the instructions

Remote control

You can use the remote to control the light. The LED lamp can only be used after the power supply is connected.

NOTE: The square part of the receiver (20) needs to be exposed to air in order to better control the LED light.

Please scan the QR code on the manual/controller and install the application.

Step1: Please make sure your phone has Bluetooth enabled.

Step2: The LED light will automatically connect to the APP.
